I dont think it would be weird, but I could see Gina reacting to it, since this isnt CEQs decision to make. Should I ask her?

**Subject:** Meeting Request to meet with Administrator McCarthy and Senior EPA Leadership on Feb 25 or 26 at EPA HQ

Hi Arvin,

I hope this email finds you well. On behalf of several Alaskan groups and stakeholders associated with the protection of Bristol Bay, we respectfully request the opportunity to meet with Administrator McCarthy and senior EPA leadership to express their appreciation for finalization of the Bristol Bay Watershed and to follow-up on their original request for action to protect Bristol Bay. If at all possible, we would also like to request that CEQ (e.g., Mike Boots, Jay Jensen, Rohan Patel, etc.) be invited to participate in the meeting (perhaps we can discuss the mechanics of this CEQ request i.e., should we also submit a formal request to CEQ to join the meeting or is it ok for you to request their participation). This group is rather large and it would be greatly appreciated if the group didnt have to travel between Ariel Rios and Jackson Place.

I recognize that the Administrator meets with many people of different views on this matter and believe it important that she has an opportunity to hear directly from people who live in the region and/or those who subsist and/or earn their livelihood from the fishery. As always, we greatly appreciate any assistance you can provide. Please let me know if you need anything further to process our request or if you have any questions or wish to discuss this matter further. Thanks again and I look forward to talking with and seeing you again soon. All my best,

Wayne Nastri
